This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide information to you with regard to the Repurchase Mandate to be proposed at the Annual General Meeting.

THE LISTING RULES

The Listing Rules contain provisions regulating the repurchase by companies whose primary listings are on the Stock Exchange of their securities on the Stock Exchange. The following is a summary of certain provisions of the Listing Rules relating to repurchase of securities:

Shareholders' Approval

The Listing Rules provide that all proposed repurchases of securities by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution of shareholders, either by way of general mandate or by specific approval of a particular transaction.

Source of Funds

Repurchases must be funded out of funds legally available for such purpose in accordance with the Company's memorandum of association and Articles of Association and the applicable laws and regulations of the Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Repurchase will be made out of funds of the Company legally permitted to be utilised in this connection, including profits of the Company or out of proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if authorised by the Articles of Association and subject to the provisions of the Companies Law of Cayman Islands (as amended), out of capital and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company before or at the time the Shares are repurchased or, if authorised by the Articles of Association and subject to the provisions of the Companies Law of Cayman Islands (as amended), out of capital of the Company.

REASONS FOR REPURCHASES

Although the Directors have no present intention of repurchasing any securities, they believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company and its Shareholders. Repurchases will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangement at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share.

FUNDING OF REPURCHASES

Repurchases of Shares will be funded out of funds legally available for the purchase in accordance with the Company's memorandum of association and Articles of Association and the applicable laws of the Cayman Islands.

On the basis of the financial position of the Company as disclosed in the audited financial statements contained in the 2012 annual report of the Company, there might be an adverse effect on the working capital requirements or gearing levels of the Company in the event that the Repurchase Mandate is exercised in full at any time. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

The exercise in full of the Repurchase Mandate, on the basis of 1,287,407,794 Shares in issue as at the Latest Practicable Date (assuming that no Shares are issued or repurchased during the period from the Latest Practicable Date up to the date of the Annual General Meeting) would result in up to 128,740,779 Shares being repurchased by the Company during the period in which the Repurchase Mandate remains in force.

GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquires, any of their associates, have any present intention, if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the memorandum of association and the Articles of Association.

If as a result of a repurchase a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code and, if such increase results in a change of control, may in certain circumstances give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Brilliance Investment Holdings Limited ("**Brilliance Investment**") was interested in 400,000,000 Shares, Xinhua Investment Holdings Limited ("**Xinhua Investment**") was interested in 400,000,000 Shares and Lead In Management Limited ("**Lead In**"), a party acting in concert with Brilliance Investment under the Takeovers Code, was interested in 93,999,794 Shares, representing approximately 31.07%, 31.07% and 7.30% of the issued share capital of the Company respectively. Based on such shareholdings, in the event that the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate, the shareholdings of Brilliance Investment, Xinhua Investment and Lead In would increase to approximately 34.52%, 34.52% and 8.11% of the issued share capital of the Company respectively. The Directors consider that such increase would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors however have no present intention to exercise the Repurchase Mandate to such extent as would result in any mandatory offer. The Directors do not consider the aforementioned increase would reduce the issued share capital in public hands to less than 25% (or the relevant prescribed minimum percentage required by the Stock Exchange).

No connected person (as defined in the Listing Rules), including a director, chief executive or substantial shareholder of the Company or its subsidiaries or an associate of any of them has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the following months since the Listing Date and up to the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2013		
March (Since the Listing Date)	2.48	2.01
April (up to the Latest Practicable Date)	2.26	1.89

* *The dealing in Shares first commenced on the Stock Exchange on the Listing Date.*
